the whole series is the author who knows and believes that in south africa there are many many areas that are as yet unexplored that offer the visitor and

reader a fascinating insight into our south african heritage and an understanding of the global concerns

the gold mines of the world 2d edition 1902 written after an inspection of the mines of the transvaal rhodesia india malay peninsula west australia queensland victoria new south wales tasmania new zealand british columbia the klondyke united states alaska and mexico illustrated with plans and photographs

despite a quarter century of nation building most african states are still driven by ethnic particularism commonly known as tribalism the stubborn persistence of tribal ideologies despite the profound changes associated with modernization has puzzled scholars and african leaders alike the bloody hostilities between the tribally oriented zulu inkhata movement and supporters of the african national congress are but the most recent example of tribalism s tenacity the studies in this volume offer a new historical model for the growth and endurance of such ideologies in southern africa
